

# Amberly Bucci

## DIGITAL MARKETING

## AWARD WINNING DIGITAL MARKETING SERVICES

Since 2008, Amberly has helped hundreds of businesses get found online and boost their sales. Her online marketing campaigns have been listed top in the country by U.S. Search Awards, Top SEO's and Interactive Marketing Awards. She specializes in results-driven Search Engine Optimization (SEO), Social Media Marketing, and custom Digital Marketing Strategy Plans.

She is a passionate speaker who loves teaching businesses how to leverage the power of digital marketing. Amberly regularly hosts 1:1 consultations, conferences, and training workshops.

Her main goal is to help small businesses boost their visibility and increase their bottom line by leveraging cutting edge, creative, and targeted digital marketing strategies. [www.amberlybucci.com](http://www.amberlybucci.com)

The background of the image shows a close-up of a person's hand typing on a laptop keyboard. The laptop is silver and the keyboard is dark. In the top left corner, there are two red speech bubble icons with white numbers '5' and '25' inside them. The overall scene is a workspace with a laptop and a cup of coffee visible in the bottom right corner.
